INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. §§ 1.97 AND 1.98

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. 1.97(e)(1), applicants state that each item of information in this Disclosure Statement was cited in the Supplementary European Search Report that was issued for the European application corresponding to this application not more than 3 months prior to the filing date of this document. This document is being filed in a timely manner and, therefore, applicants believe that no additional fee is due. However, if any fee is due, please charge the fee or any additional amount required for filing this document to our Deposit Account No. 04-0010. A copy of the Supplementary European Search Report, as well as all Foreign Patent references and all Non-Patent Literature references is also attached.

This Disclosure Statement is not intended to substitute for the Examiner's own search. It is believed, however, that this Disclosure Statement will assist the Examiner in the search. The Examiner is expressly requested to review each item cited herein and to make all of the cited items of record in this case as having been considered.

Citation of the items herein is not to be construed as an admission that the information is within the scope and content of the prior art relevant to the present invention, that the information is prior in time to a particular date which may be relevant to

invention, that the information is prior in time to a particular date which may be relevant to the present patent application, that the information is otherwise prior art with respect to the present invention, or that the information cited is material to the claims. In addition, applicants reserve the right to later set forth how the present invention is distinguished over the disclosure of any document or other prior art, including the information cited herein.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Robert N. Carpenter", is written over a horizontal line.
